### **12.30 – 1.00 Presentation by Kenny Low, Project Leader, OIC Change Programme**

The council has set up a small, dedicated team to manage a Change Programme. One of the tasks is to identify ideas to improve the efficiency and effectiveness of the services the Council provides and to ensure that the best of these ideas are put into practice. The team is keen to meet with third sector organisations to generate discussion, hear suggestions for change and perhaps identify opportunities for working together.
