

£150,000 for Community Projects

Community groups across the Orkney Islands are invited to a free event on Thursday 7th February to learn how Climate Challenge Fund (CCF) grants from the Scottish Government of up to £150,000/year could fund their community projects.

The event, to be held at the St Magnus Centre from 11am-3pm & 6pm-8pm has been organised by Keep Scotland Beautiful in partnership with Orkney Islands Council, Energy Saving Scotland Advice Centre, Highlands and Islands and the Scottish Government. Lunch is provided at the daytime session and travel expenses to both sessions can be reclaimed through completion of an expenses form and production of appropriate receipts.

A presentation will introduce the CCF and this will be followed by a question and answer session. There will also be plenty of one-to-one time for community groups to chat through project ideas with a CCF Development Officer.

There is no need to book. If you have any queries please email tim.mullens@ksbscotland.org.uk

Further details on the Climate Challenge Fund can be found at <http://ccf.keepsotlandbeautiful.org/>

New Funding Service

VAO recently announced that changes would be made to some of their services. We can now reveal that one of these changes is the support available through the funding service. As of February 2013, we are now able to give you more advice and support to help you through the funding application process, including writing sections of the application form for you.

For more information contact **Meghan McEwen** at VAO.

£500k Lottery Funding Package

The Big Lottery Fund Scotland and the Scottish Government have announced half a million pounds worth of grants to provide support to potential volunteers at the Glasgow 2014 Commonwealth Games.

It will help with costs such as respite for carers, childcare, accommodation, subsistence, travel from outside Glasgow and additional travel and support for those who are disabled. This will hopefully mean that people from Orkney who might not have been able to volunteer at the games due to the high travel and accommodation costs, may now be able to do so.

For more information, contact **Fraser Devine** or **Meghan McEwen** at VAO.
